The following is an itinerary package we prepared for one customer who had a limited vacation with his family and wanted to explore [Guimaras](#), [Panay Island](#) and [Boracay](#), including private van transfer with a tour guide.

## Overall plan

Day 1 (Dec26) - Dumangas trip and stay overnight in Iloilo

Day 2 - private van to Guimaras, boat tour, stay one night

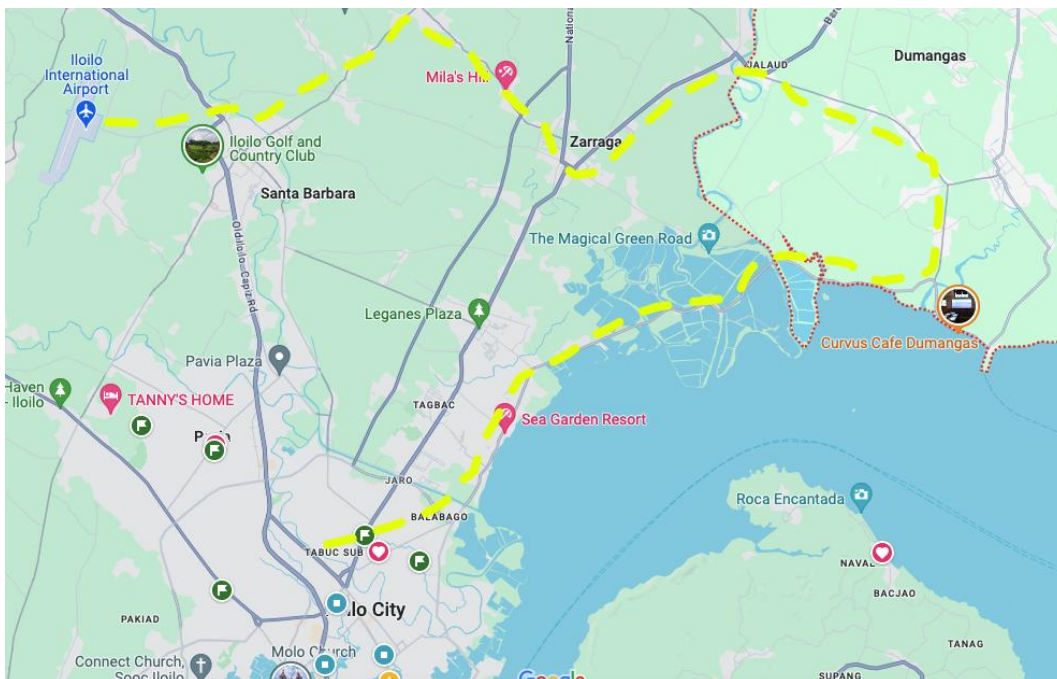

Days 3,4 - about one hour with ferry back to Iloilo, ferries start at 4am, 5 hours to Boracay + 1 hour to hotel via ferry etc, 7 hours total, if you leave at 9am you could get there around 4pm, which would give you some beach time, enjoy some fine cuisine and night life, then the whole next day to enjoy the beach and more fantastic dining.

Day 5 - ride back to Iloilo, relax (perhaps tour guide can recommend a tour there or along the way)

Day 6 (Dec31) - early flight out of Iloilo

## First night in Iloilo

After private pick up from airport, can agree with tour guide if want to go to Dumangas before or after drop off to hotel.

Considering the location of the airport in relation to the airport, Dumangas and Iloilo, could be more productive to see Dumangas first. The tour guide could suggest some potential sites to visit along the way. Then can enjoy the rest of the day at the resort and beach.

## Iloilo resort (Dec 26 and 30)

Since you specified you prefer to have beach, this is the nicest place I know of in Iloilo which has a beach.
